

AMERICAN

HUMAN RIGHTS

AN ABSOLUTE LIE

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

IMAM KHAMENEI: We should know our global enemies who try to beautify themselves and put it on display with all sorts of media and propaganda cosmetics. We should know America... On the 7th of Tir [28, June, 1981] a powerful bomb went off at the Islamic Republic Party. On the 7th of Tir of the year 1366 [28, June, 1988], Sardasht became the target of chemical-weapons bombardment. It was done by Saddam, but who was behind him? It was the Americans, westerners and those people who gave him chemical bombs. They showed him the green light and remained silent in the face of these grave crimes and this dreadful massacre. On the 11th of Tir [2th of July] - a few days later - Shahid Saduqi was assassinated and the same criminals perpetrated it. On the 12th of Tir, the Airbus passenger plane was shot down over the Persian Gulf. Notice how many assassinations and massacres were carried out from the 7th to 12th of Tir [28th of June to 3th of July]. Notice how many women, children, scholars and politicians became the target of American agents... As some friends say, it would be good if we named this period [28th of June to 3th of July] "The Week of American Human Rights". In this period, the true nature of American human rights was revealed in our country. Today, those who are trying to introduce this monster - which is American policies and the policies adopted by some of America's followers - as respectable are betraying the country and committing a crime. Our country and people need to know the enemy and the depth of his enmity...

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

THE LIARS IN EUROPE AND THE US WHO MAKE EXTRAVAGANT CLAIMS ABOUT HUMAN RIGHTS AND WHO CREATED A COMMOTION ON THE ISSUE OF UKRAINE KEEP TOTALLY SILENT IN THE FACE OF ALL THESE CRIMES IN PALESTINE.

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

For the United States, human rights is a political tool and sarcasm that's used to suppress the opposition's voice, to oppress, and to strengthen America's absolute rule over the world. In many cases, the United States accuses other countries of things that it is a leader in doing itself. An example of this is the illegal, hidden US prisons which are situated all around the world and the deplorable, shocking conditions of the prisoners in these illegal detention centers. The US government uses every event they can to justify and expand their anti-human rights activities. The discrepancy between the American government's rhetoric and their behavior on human rights is so apparent that a simple search in the country's media will show one the extent of its crimes against humanity.

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

THESE HUMAN RIGHTS ABUSES ARE NOT LIMITED TO US SECURITY AGENCIES, AND THEY ARE PUBLICLY PURSUED AND POLITICALLY JUSTIFIED BY MANY OTHER AMERICAN GOVERNMENT AGENCIES TOO. OVER THE PAST TWO DECADES, THE US MILITARY HAS WAGED MANY WARS UNDER THE PRETEXT OF A "GLOBAL WAR ON TERROR." IN THE PROCESS, IT HAS HELD THOUSANDS OF PRISONERS FOR SECURITY REASONS AND PRISONERS OF WAR - INCLUDING WOMEN AND CHILDREN - IN ITS ILLEGAL DETENTION CENTERS IN ABU GHRAIB, IRAQ, AND BAGRAM IN AFGHANISTAN, AND SUBJECTED THEM TO PHYSICAL ABUSE AND PSYCHOLOGICAL PRESSURES. HUMAN RIGHTS GROUPS HAVE ESTIMATED THAT THE NUMBER OF VICTIMS WHO HAVE SUFFERED FROM THESE INHUMANE CRIMES IS AS HIGH AS 70,000 PEOPLE.

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

THE WORLD IS COUNTING ONE BY ONE EVERY VICTIM OF CORONA VIRUSES ACROSS THE GLOBE, BUT NOBODY HAS ASKED WHO IS RESPONSIBLE FOR THE HUNDREDS OF THOUSANDS OF MARTYRDOMS, IMPRISONMENTS AND DISAPPEARANCES THAT ARE TAKING PLACE IN COUNTRIES WHERE THE US AND EUROPE HAVE WAGED WARS. WHO IS RESPONSIBLE FOR ALL THE UNLAWFUL BLOODSHED IN AFGHANISTAN, YEMEN, LIBYA, IRAQ, SYRIA AND OTHER COUNTRIES? WHO IS RESPONSIBLE FOR ALL THESE CRIMES AND FOR THE OCCUPATION, DESTRUCTION AND OPPRESSION IN PALESTINE? WHY DOESN'T ANYONE COUNT THE MILLIONS OF OPPRESSED CHILDREN, WOMEN AND MEN IN THE WORLD OF ISLAM? WHY DOESN'T ANYONE EXTEND THEIR CONDOLENCES FOR THE MASS MURDER OF MUSLIMS? WHY SHOULD MILLIONS OF PALESTINIANS SPEND 70 YEARS AWAY FROM THEIR HOMES AND IN EXILE? THE SO-CALLED UNITED NATIONS IS NOT FULFILLING ITS FUNCTION AND THE SO-CALLED HUMAN RIGHTS ORGANIZATIONS ARE DEAD. THE SLOGAN OF DEFENDING THE RIGHTS OF WOMEN AND CHILDREN EXCLUDES YEMENI AND PALESTINIAN WOMEN AND CHILDREN. THIS IS THE CURRENT SITUATION OF THE OPPRESSIVE WESTERN POWERS AND DEPENDENT GLOBAL ORGANIZATIONS.

Abu Ghraib Prison American Human rights

There is no doubt that savage tortures perpetrated by the Americans in Abu Ghraib Prison are a symbol of American Human rights and that they are at odds with international conventions and therefore, they are punishable as war crimes. On the basis of the Geneva third convention, every injury, wound, physical punishment and psychological torture against captives with the purpose of gaining information is forbidden. Also according to the four treaties of the Geneva Conventions, torture, inhumane behavior, the infliction of intentional and severe pain and doing injury to prisoners' sexual organs are considered as serious violations of the aforementioned conventions and thus, the perpetrators will be subject to trial and to punishment.

In the US – one is shocked at hearing this – during the time of a Democratic government, they burned alive around 80 followers of the Davoodi sect. This cannot be denied in any way. It was their excellencies – the Democrats – who did this. The Davoodi sect – they refer to them as the Davidians – provoked the US government’s rage for some reason. They took refuge inside a house. They tried to force them out, but they did not get out. So, they burned the house, thus burning alive 80 men, women and children. Do you Americans understand what human rights mean?

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

Although the news on Guantanamo is heavily censored, the statements made by some of those who have been released show the hard conditions there and a clear violation of human rights in that prison. For instance, Nizar Sassi, a former **GUANTANAMO** prisoner, has stated in an interview that the American jailors had made them take off their clothes and then raped them in front of everyone. At that time he had no idea as to why they had been treated in that way. However, later on he realized **“HUMILIATION”** as the only possible reason. He added that forgetting those bitter, hideous, and troubling incidents were very difficult and even impossible.

An overview of the actions of US administrations over a period of time reveals a stark contrast between the words and actions of US presidents on the issue of human rights. Ignorance of the right of nations to self-determination can be traced back to the United States' ongoing efforts to intervene directly and indirectly in regime change and the establishment of authoritarian and dependent governments. American statesmen have a long history of taking the most heinous acts **AGAINST NATIONS**, such as military strikes and coups. The bitter irony is that US presidents, with the help of their intelligence agencies and executive apparatuses, have stripped nations of their sovereignty over their own land while chanting the most rambunctious human rights slogans and offering the loudest shouts of support for the nations. According to some studies, during the second half of the twentieth century (1946-2000), the United States led at least 81 overt and covert interferences in elections in other countries.

The US conceals its true character with the help of its **PROPAGANDA** tools. It claims to support human rights and democracy while each day nations feel the fire of ruin lit by it with their bodies and souls.

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

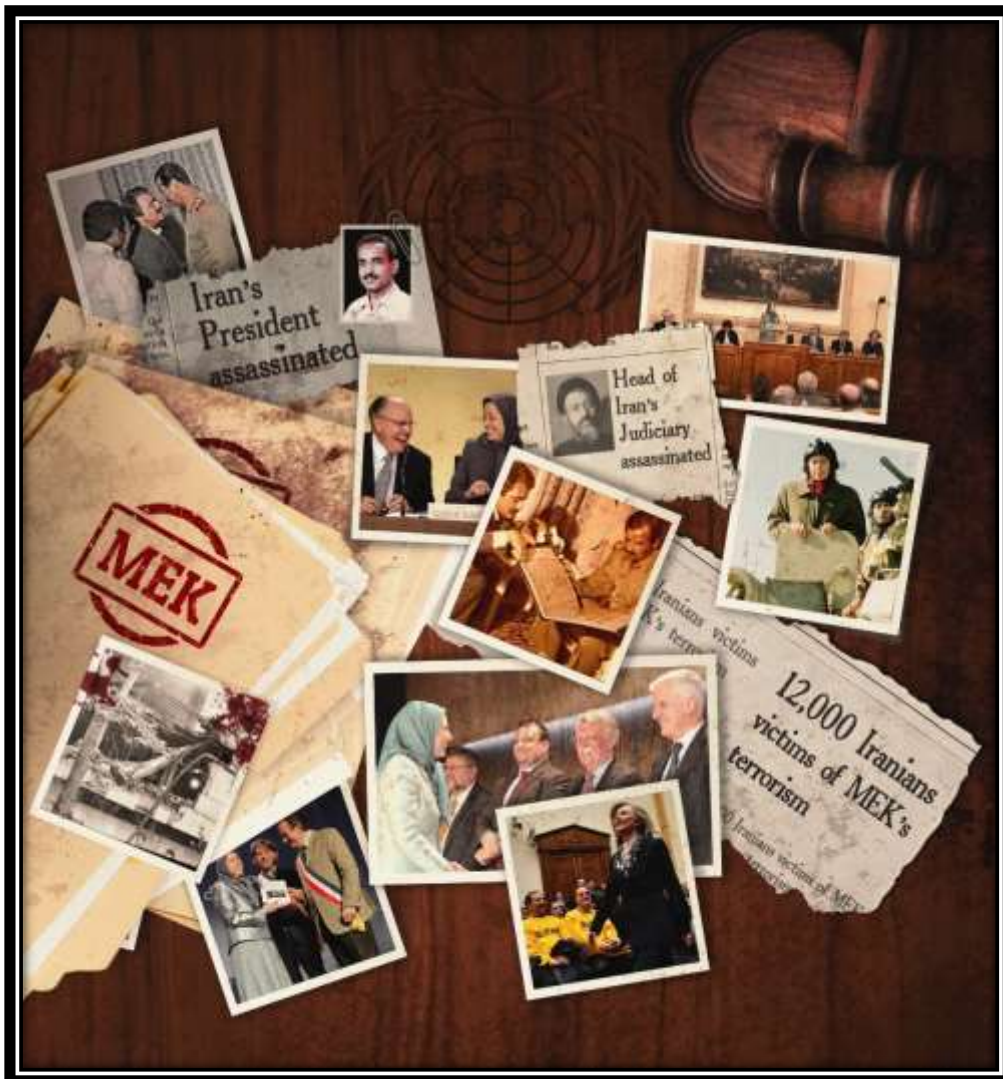

Discovery of the unmarked graves of indigenous children

Which powers have harmed humanity the most? Which governments have kept nations colonized for years? These governments stole what those nations had and destroyed their culture.

They are the **ARROGANT POWERS** in the world and are the same governments which claim to be supporting human rights today. These governments are the worst calamity to have come upon humanity.

MEK TERRORISTS COMMITTED A
HORRENDOUS CRIME
ON A DAY LIKE THIS (JUNE 28), BY ASSASSINATING
MARTYR BEHESHTI AND 72 OTHERS. THEY CONFESSED
TO THIS MURDER THEMSELVES. BUT THEY WALK
FREE TODAY IN THOSE SAME EUROPEAN
COUNTRIES THAT CLAIM TO
ADVOCATE HUMAN RIGHTS,
INCLUDING FRANCE.

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

The issue of
RACIAL DISCRIMINATION
in a country that claims to support
freedom and human rights has not
yet been solved. A person is still not
safe to live in that society because of
his black skin! Then they claim to
care about human rights.

In dealing with its people,
the US government has
behaved in the worst
manner. They kill people
and yet claim they
advocate human rights.
Was not the

BLACK MAN

whom you murdered a
human being?

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

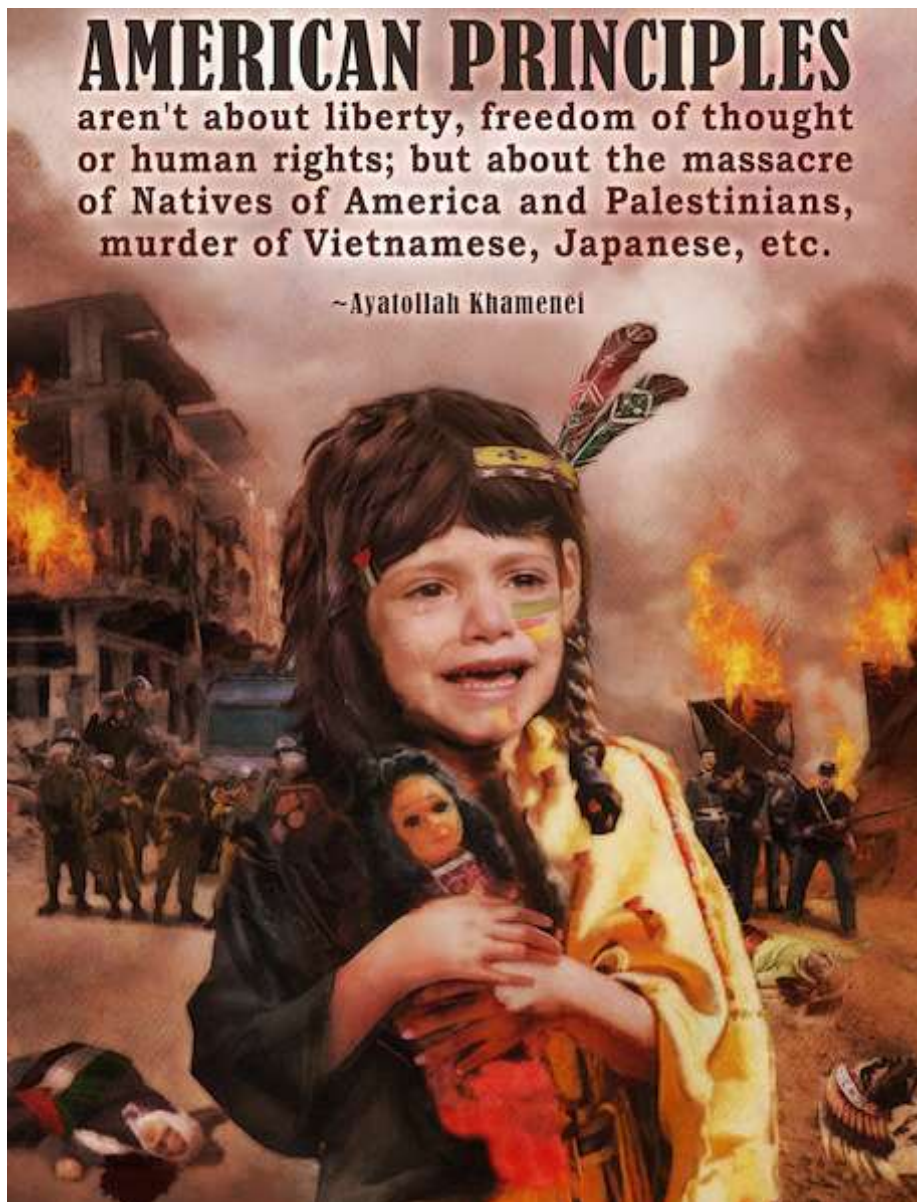

Human values have been annihilated and trampled upon in that country [The U.S.]. There is racial discrimination in that country. Just a few days before..., that man [Trump] stood up in his presidential campaign and said that if you are colored - black or red-skinned - and if you are walking on the streets of New York, Chicago, Washington, California and other such cities, you cannot be sure that you will remain alive for a few more minutes! Notice that this is being said by a person who expects to go to the White House in a few days to manage the affairs of America!

American racism means this.

AMERICAN HUMAN RIGHTS; AN ABSOLUTE LIE!

Are these the qualities of the American society today?
Was it not your government that **MASSACRED**
the natives of America and destroyed the natives? Even
today the people of Palestine are being palpably and
openly terrorized and murdered in their own homes on a
daily basis and at the hands of the usurpers of their
homes. Was your attack on Vietnam not terrorism? Was
your attack on Hiroshima and Nagasaki terrorism?

U.S. Navy Capt. Will C. Rogers III was awarded Legion of Merit for his Persian Gulf operations which included the 1988 shooting down of an Iranian civilian airliner **killing** the 290 innocent people on board.

David Carlson, who at the time was the commander of a nearby U.S. vessel, wrote in the U.S. Naval Proceedings that he “wondered aloud in disbelief” as the Vincennes announced her intentions to attack what was clearly a civilian aircraft.

Two years after the **tragic incident**, the same captain (from the Vincennes) was awarded the Legion of Merit, a high award, given “on the basis of unambiguous evidence and sterling performance, without a blotch of tarnish”

The government of the **United States** refused to apologize or even take responsibility for the incident, offering instead blatantly incorrect and misleading so-called details of the incident in an attempt to shift blame onto Iran. George H.W. Bush, then Vice President of the United States, said during a presidential campaign on August 2, 1988 that “I will never apologize for the United States...

I don't care what the facts are!
I'm not an apologize-for-America kind of guy”

MEK terrorists committed a horrendous crime on June 28, by assassinating **Martyr Beheshti** and 72 others. They confessed to this murder themselves. But they walk free today in those same European countries that claim to advocate human rights, including France.

DOWN WITH THE USA

means down with racism and down with the violation of human rights. That is why Imam Khomeini (r.a.) said, "Everyone should shout at the USA."

Imam Khamenei
